

WINE LIST

Introduction

Welcome to the 'Wine List' at the Regency Park Hotel. The list consists of around 40 bins including a selection of wines available by the half carafe (375ml), dessert wines and our 'Reserve Cellar Selection'. The list has been divided traditionally by wine type, from Champagne and Sparkling, to Whites and Reds and priced in ascending order.

Please note that some vintages may change, however we endeavour to try our best to match the wine vintage wherever possible. Alternatives will be offered where the current vintage is no longer available.

Our staff and management are here to help you with choices and recommendations, so please do not hesitate to ask.

We hope that you enjoy our selection.
